3. Review of Quarterly Activities

July – Our 3rd quarter of 2017 began with the celebration of our independence with a patriotic service and pot luck luncheon on Sunday, **July 2**. It was well attended and everyone enjoyed our time together. On **July the 9th** Downsville Baptist enjoyed a dual service of Baptism and the Lord's Supper. The Ordinance of the Lord's Supper was held at the beginning of the service with our pastor preaching on the two ordinances of

the church. At the conclusion of the service the church rejoiced with the baptism of Darryl and Peggy Poole. The baptistery had been reworked and repaired and it was the first time it had been used in a couple of years. **July 17** was our **Downsville Baptist Vacation Bible School**. It was a special day as the children were taught about being "Under Construction." There were jumping games and refreshments for over 60 children and adults in attendance. Our **deacons meeting** in July focused on the repair of our church as well as the beginning of an installation of audio and video equipment for the church. The exterior of the church was painted in the last months of the summer.

August – August was a very important month in our church as the church continued the search for a Minister to our Students. On **August 13**, the church invited Charles "Chas" Howard for a time to visit our church and meet with our students in preparation for a possible call as our student minister. After this get acquainted Sunday, the pastor met with our students during the next Sunday School hour and all agreed they would like to pursue the calling of Chas if he was interested. On **Sunday, August 27**, Chas came in view of the call to our church and the church voted unanimously to call him as our Minister to Student. He began his work immediately with our students. He will be teaching in our youth Sunday School and planning events on a monthly and quarterly basis. He was employed at a salary of \$100.00 per week. On Sunday, **August 20** our church held a prayer time for our students and teachers on **Back to School Sunday**. At the conclusion of the service, there was a special time of prayer for our students and teachers as they begin the new school year.

September – September was a busy month at Downsville. September 10, we celebrated Grandparents day with a recognition and special gift for all grandparents in attendance that day. **September 10-17** was our emphasis of the **Mary Hill Davis State Mission Offering**. The church set a goal for \$500 and the church surpassed that goal as they generously gave almost \$600 to state missions. September 17 was Gideon Sunday where we had a special Gideon as our guest. Curry Bishop shared with our congregation a timely testimony of the Gideon work. An open Bible offering was taken at the conclusion of the service. On September 30, the youth had an evening of Pizza and Bowling together as one of their first monthly activities with their new Student Minister.

There were no recommendations from Deacons and Ministry Teams in the 3rd quarter.
